Beginning in June 2008, the Fairfax County Democratic Committee starts paying two employees' salaries and benefits. One full time employee devotes more than 25 percent of his time to federal election activities, and 100 percent of his employment expenses (salaries, benefits, taxes and fees) are paid with federal funds. One part time employee devotes 100 percent of his time to non federal election activity and is paid wages and withholding taxes with non federal funds. Due to the accounting capacity of the employment service we use to pay wages and benefits, the employment service expenses of this employee are also charged to the federal account. No other entities pay compensation for their employees to work for the committee either part time or full time. No additional payroll expenses are incurred outside of those presented above. The committee maintains both Federal and non Federal accounts, and it has elected in the past not to allocate its administrative expenses between accounts, so all administrative overhead expenses have been paid 100 percent with Federal funds. Beginning with June 2008 disbursements, however, the Committee is allocating joint federal / non federal administrative expenses on the 36 percent federal, 64 percent non federal split, exclusive of the payroll and benefits expenses discussed above. The first transfer of non federal funds into the federal account to cover joint administrative expenses will appear in the Sept 20 report covering the month of August 2008, for administrative expenses incurred by the Committee in June and July 2008. In other words, the first actual transfer occurs in August for June and July permissible expenses. The Committee does not engage in any fundraising on behalf of candidates for Federal office, so all of its reported fund raising expenses are party fund raising. This amendment is needed so that all 2008 reports conform with our new donor management software, provided by NGP, and implemented in March 2008. Conversion to this new software corrupted accumulated expenses by line number in the later 2008 FEC monthly reports, created errors in classification of disbursement data imported from Quickbooks accounting software, and caused duplicate reporting of some of our fund raising expenses. Duplicate transactions have been removed and reported only once. Corrections were made to other disbursements as needed. Procedures have been put in place to avoid these errors in FEC reports filed in future months.
